Master of Science in Horticulture (M.Sc. Horticulture)

The Master of Science in Horticulture (M.Sc. Horticulture) is a postgraduate program designed to provide advanced knowledge and skills in the science and art of growing fruits, vegetables, flowers, and ornamental plants. This program focuses on various aspects of horticultural science, including plant breeding, production techniques, pest management, and post-harvest technology, preparing students for careers in research, education, and the horticultural industry. The M.Sc. Horticulture program typically spans two years, divided into four semesters, combining theoretical coursework with practical training and research.

About Us

BFIT is one of the colleges under Guru Nanak Group of Colleges & is one among the leading Institutions of India, situated in the serene and academically vibrant city of Dehradun, has established itself as a prestigious centre of higher education since 2002. The college has become a top college in the region because of its expertise in studies. It has gained recognition as one of the most prestigious college in Dehradun despite its short history.

Baba Farid Institute of Technology (BFIT) culture is deeply committed to nurturing the development of the next generation of Agriculturists, Pharmaceutical professionals, Paramedics, Nurses. This commitment goes beyond just teaching academic excellence. Through its diverse course offerings, it advocates for the belief that education is a crucial factor in personal & societal advancement.

Baba Farid Institute of Technology collaboration with Career Buddy Club (CBC) is a special feature that distinguishes it from other colleges. CBC is a Dubai-Based firm known for its extensive career guidance & mentoring. The college's commitment to career readiness has resulted in a remarkable job placement, rate of up to 100% for graduates due to this partnership. The collaborations with CBC India & CBC Dubai further expand employment possibilities. India Accelerator's partnership exemplifies the college's commitment to developing entrepreneurial talent among students, which can help transform innovative ideas into successful ventures.

Affiliation

The Master of Science in Horticulture (M.Sc. Horticulture) program in Baba Farid Institute of Technology (BFIT) is affiliated with Hemwati Nandan Bahuguna Garhwal University (HNBGU), ensuring high educational standards and a strong foundation in agricultural sciences for students pursuing careers in agriculture, research, and agribusiness.
